

May Updates

What a great year we've had this year! I can hardly believe it's coming to a close!

The Fun Frogs and Cool Cats are surprising me with their reading abilities, their math skills and how independent they've become. I have no doubt they'll be recognized as well prepared where ever they go from here. We're so happy that several of them are coming back for another year!

Our children are becoming so at home that they stop me in the hall to tell me the latest things they've learned. The Zoophonics program has been a great hit! All of the three year-olds are showing me the Allie the Alligator motions and the DeDe the Deer motions and they all seem to remember even the ones they learned early in September. I'm so proud of the staff and the children's progress!

Our calendar is full for the next two and a half weeks.

Today we're finishing up our Mother's Day projects in anticipation of Muffins for Mom through next week. The Tumbling Teddies' Moms saw their music class as a part of their celebration.

Today we celebrated Cinco de Mayo in our Spanish Class to celebrate the end of the Spanish school year. We made Quesadillas with all the "fixins" and you should be jealous of the snack the little ones had.

Thursday Wildlife Wonders will bring us their Zoo to You program. It's always one of our favorite programs of the year. They tell us all about reptiles and mammals and amphibians, Oh My! And we'll even get to touch some of their friends.

We'll try for our outdoor water Science and Math project Monday, May 10th weather permitting.

Tuesday, May 18th is the ballet recital for our adorable ballerinas during their regular ballet time. Most everyone brings a small bouquet for their little ballerina.

I always take my staff out to lunch the day after graduation. If you could help babysit for the staff children on Friday, May 21st from about 10:45-until 1:30, please call or email Mary. Thank you!

We had such a great second Spring Kids Closet! I'm already dreaming of what I can buy for the school. We sold over \$28,000. We couldn't do it without you! Thanks a million!

Please call or email to make your reservation for Parents Night Out for those who volunteered for 2 four hour shifts at the sale. We'll wear our Jammies(and tennis shoes), bring our pillows, play outside, eat some pizza, and then watch a movie-from 6-9p.m. May 7th. You can leave a message for your reservation at 770 393-3478 x6 if you call after hours.

Don't Forget the Graduation/Closing Program on May 20th at 11:00a.m. M.D.O. will end at 10:45 so teachers can make it to graduation.

The program will be adorable and short as usual and will be followed by a family picnic! Please plan to stay! You bring your lunch and we provide drinks and desert. There will be tables set up downstairs for Tumbling Teddies, Busy Bees and Lucky Ducks. There will be tables set up in the fellowship hall for Leaping Lizards, Flying Fish, Fun Frogs and Cool Cats. If you have children in both areas, make your family comfortable in whatever location you prefer. We also have 2 picnic tables on the playground if you prefer outside. See you there!

Some of the camps are filling up, so don't delay in signing up if you are interested!

Happy May and Summer Birthdays to:

Jonah Ayers	05/01/05
Kari Britton	05/10/05
Michelle Chapuis	05/10/06
Bralen Finch	05/13/08
Caroline Beavin	05/14/07
Benjamin Burke	05/22/08
Alexis Casanova	05/23/05
Charlie Caseman	05/24/05
Caleb Kim	06/07/06
